WALKERSTON STATE SCHOOL UNIFORM POLICY

Walkerston State School and the Walkerston State School P & C both agree and support a school uniform policy for its students (school student dress code).

The uniform policy promotes the following:

- A safe environment for learning by enabling ready identification of students and non-students of the school.
- An effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at school.
- Fosters mutual respect among individuals at the school by minimizing visible evidence of economic class or social difference.
- A supportive environment at the school by fostering a sense of belonging.

We deem the following to be inappropriate dress, and expect school staff to implement and monitor compliance with the schools uniform policy.

- Offensive;
- Likely to disrupt, or negatively influence normal school operations;
- Unsafe for student or others; and
- Likely to result in a risk to health and safety of student or others.

Students who do not comply with the Uniform Policy will be asked to remove any item that are able to be removed, and a note sent home to inform parents and caregivers of our school uniform policy. The student will not be excluded from learning, suspended or withdrawn from curricular activities.

Students are allowed to wear their House Sport shirts on Fridays and sports days.

The school will negotiate access to uniforms with students who are otherwise unable to afford costs of uniforms. This may include the provision or temporary loan of second hand uniforms and the organisation of an annual uniform exchange.
